Concordance Search on COCA:

1. Trump

The screenshot shows the 'Corpus of Contemporary American English' (COCA) website. The browser address bar shows 'english-corpora.org/coca/'. The website has a blue header with the title and navigation tabs: SEARCH, FREQUENCY, CONTEXT, and OVERVIEW. The 'FREQUENCY' tab is selected. Below the header, there is a search bar with the text 'SEE CONTEXT: CLICK ON WORD OR SELECT WORDS + [CONTEXT] [HELP...]'. To the right of the search bar, there is a button labeled 'iWeb' and the word 'TRUMP'. Below the search bar, there is a table with the following data:

	CONTEXT	ALL FORMS (SAMPLE): 100 200 500	FREQ
1	TRUMP		96113

At the bottom right of the table, there is a progress bar and the text '0.574 seconds'. The Windows taskbar is visible at the bottom of the screen.

This screenshot is similar to the one above, but with two blue circles highlighting specific elements. The first circle is around the 'CONTEXT' button in the table header. The second circle is around the 'FREQ' column header and the value '96113' in the table row. The rest of the interface is identical to the previous screenshot.
